Social Sustainability Policy NB-P-17

Policy Statement

Northern Beaches Council acts principally as a facilitator and enabler of social sustainability in order to build the capacity and resilience of the community to achieve individual and collective wellbeing. Community development activities are carried out in collaboration with individuals and service providers, including community groups, charitable organisations, government and non-government agencies and neighbouring Councils.

Council provides leadership and advocacy, promotes safe, inclusive and connected communities, supports community capacity building, provides referral and information services and essential infrastructure, including social infrastructure. Through these activities Council will work strategically with local services to maximise the efficiency and quality of service delivery to the Northern Beaches community.

Council encourages, enables and assists local groups and organisations to provide relevant services and activities for residents of the Northern Beaches and will consider providing services directly when there is an identified priority and where no other organisation has the capacity or ability to provide the priority service.

Principles

Social Sustainability is critical for a community's wellbeing and longevity. It is about creating inclusive and resilient communities that have the required skills, services, people and infrastructure to respond to and recover from social, political, environmental and economic change. With collaborative planning and commitment from the community we can ensure the Northern Beaches is a place that people want to live and work in the long term.

Community development activities will support community wellbeing and build community capacity and resilience. They will be conducted in accordance with the following foundational social justice and sustainability principles outlined in Council's Community Strategic Plan 2040 (Shape 2028):

Equity

There should be fairness in decision making, prioritising, and allocation of resources, particularly for those in need. Everyone should have a fair opportunity to participate in the future of the community. The planning process should take particular care to involve and protect the interests of people in vulnerable circumstances

Intergenerational Equity

Planning and decision making should ensure short term solutions do not compromise long term conditions and opportunities. The health, diversity and productivity of the environment must be maintained or enhanced for the benefit of future generations.

Precautionary Principle

Lack of full scientific certainty should not be used as a reason for postponing measures to prevent any risks of serious harm to people or the environment.

Access

Everyone should have equitable and fair access to services, resources and opportunities to improve their quality of life.

Participation

Everyone should have the maximum opportunity to genuinely participate in decisions which affect their lives.

Rights

Equal rights should be established and promoted, with opportunities for people from diverse linguistic, cultural and religious backgrounds to participate in community life.

Scope and application

The Social Sustainability Policy provides a clear framework for Council and the local community to maximise the quality and effectiveness of community development services that respond to community outcomes and contribute to the vision of the Community Strategic Plan 2040 (Shape 2028):

'A safe, diverse, inclusive and connected community that lives in balance with our extraordinary coastal and bushland environment.'

The implementation of this Policy includes the following activities:

1. Leadership and Advocacy

Through social planning, Council investigates and documents community challenges and outcomes, in consultation with the social service sector and local residents, and provides research and planning information to assist the effective planning of social services and programs. Council advocates for the community to State and Federal Governments on issues that are under their remit, such as housing, transport and health.

2. Promoting safe, inclusive and connected communities.

Council supports the implementation of the Social Sustainability Strategy and encourages, supports and facilitates a range of community and cultural events and recreational activities that build resilience, encourages social cohesion and support people to feel safe, included and connected with community life. Council supports volunteering within Council and acts as an advocate for volunteering in the broader community.

3. Community capacity building

Council builds the capacity of the community and helps the community to determine and achieve its own outcomes, through partnerships and support with community, not-for-profit and charitable organisations. Council supports the building of connections, encourages collaboration and facilitates knowledge sharing across the social sector and other levels of government to enable program and service delivery that achieves collective outcomes. Community grants are provided to organisations delivering programs that build capacity in the community to address current issues.

4. Referral and information services

Council provides referrals and information that will help to connect people to the information they need to access services and participate in community life. This is provided through Council's website, libraries, community centres and customer service centres, e-newsletters, a range of media, poster, banners, brochures and by word of mouth.

5. Delivering Infrastructure

Council delivers critical infrastructure that enable people to be safe, connected and included in community life. This includes roads, parks, recreation facilities, town centres, sporting fields and social infrastructure such as community buildings, libraries, arts and culture facilities. Social infrastructure is available, affordable and accessible to the whole community, with subsidised accommodation provided to community groups and organisations. To maximise the use of community buildings and the sustainability of the social services sector, Council facilitates the co-location of services and the provision of community service hubs.

6. Delivering programs and services

Council partners with community organisations to deliver support services that respond to the changing needs of our community. Consideration will be given to the direct provision of community services that are responsive to community outcomes where there is a gap, and work to access a provider to deliver this service to the community.

This policy covers all activities undertaken in the area of community services, with the exception of children's services, governed by the **Children (Education and Care Services) National Law (NSW) Act 2010** and library services, governed by the Library Act 1939.

Definitions

Social Sustainability: The OECD definition of social sustainability blends traditional social policy areas and principles, such as equity and health, with emerging issues concerning participation, needs, social capital, the economy, the environment, and more recently, with the notions of happiness, wellbeing and quality of life.

Community Development: working with communities to enhance well-being and build a stronger and more connected community. Community development principles include inclusion, empowerment, social justice, human rights, self-determination and collective action. Community development activities are aimed at reducing social isolation and empowering individuals to live within a supported community.

Community Services: are direct services that are provided to the most vulnerable in our community, including services for seniors, youth, children and families, people with disabilities and carers, communities and in the areas of mental health, housing support, legal aid, migrant support

and domestic violence. Direct services are generally funded and within the remit of the NSW Department of **Communities and Justice Family & Community Services (FaCS)** and the Federal Department of Social Services.

- Capacity Building:** The process by which individuals, groups and organisations, institutions and countries develop, enhance and organise their systems, resources and knowledge; all reflected in their abilities, individually and collectively, to perform functions, solve problems and achieve objectives
- Resilience:** The ability of communities to respond positively to unexpected social, political, environmental and economic events.
- Wellbeing:** A complex combination of a person’s physical, mental, emotional and social health factors. Wellbeing is strongly linked to happiness and life satisfaction. In short, wellbeing could be described as how you feel about yourself and your life.
- Social Cohesion:** A socially cohesive society is one that works towards the wellbeing of all its members, fights exclusion and marginalisation, creates a sense of belonging, promotes trust and offers its members the opportunity of upward mobility.

Community Strategic Plan

This Council policy relates to the Community Strategic Plan Outcomes of:

- Community and belonging - Goal 7 Our diverse community is supported to participate in their chosen cultural life
- Community and belonging - Goal 8 Our community feels safe and supported
- Community and belonging - Goal 9 Our community is inclusive and connected

1. Avalon AFZ

Summary of assessment of existing AFZ:

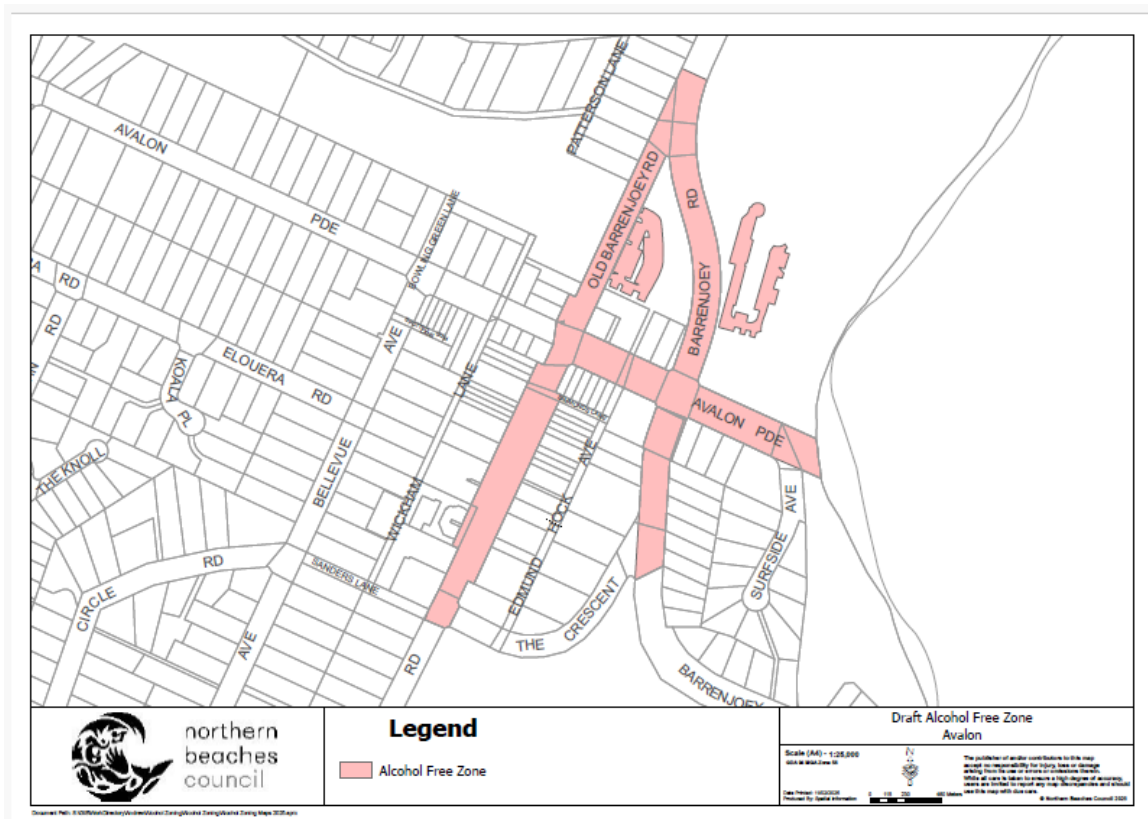

- Location not currently coming to attention of Council as a hotspot for inappropriate street drinking.
- Police data indicates that public use of some sectors have been compromised by street drinkers over the 3 years. In particular, Barrenjoey Rd and near the beach.
- Decreased enforcement action over 3 year period.
- There are areas with no recorded incidents e.g. outlying areas in the north and south of existing AFZ.
- These areas do not meet the criteria for establishment of an AFZ as set out in the guidelines and so are recommended for removal.

Existing AFZ:

Expiring 30 November 2025

Proposed Avalon AFZ:

Boundary description for proposed Avalon AFZ:

Old Barrenjoey Road from the junction with The Crescent in the south, along to the intersection with Barrenjoey Road in the north. Then south along Barrenjoey Road down to The Crescent. Avalon Parade from Old Barrenjoey Road to the east. All public carparks, streets and pathways within this area, including Avalon Beach carpark.

Recommend:

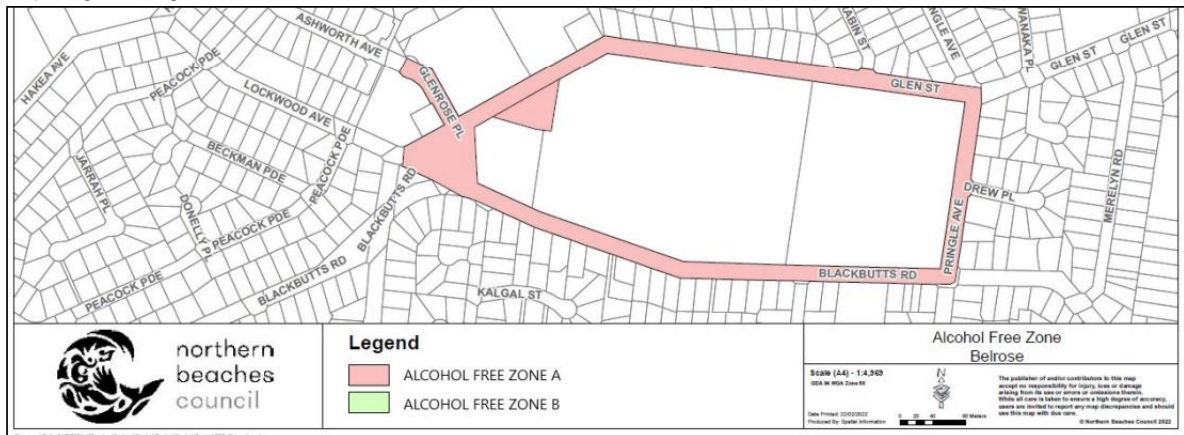

Establish proposed Avalon AFZ, with amended boundaries, for a period of up to 4 years from 1 September 2025.

2. Belrose AFZ – Zone A

Summary of assessment of existing AFZ:

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Police data does not indicate that public use of the existing AFZ has been compromised by street drinkers over the 3 years.
- Decreased enforcement action over 3 year period. No activity over past 2 years.
- This area does not meet the criteria for establishment of an AFZ as set out in the guidelines.

Expiring 31 August 2025.

Boundary description:

Bounded by Blackbutts Road to the south, Glen Street and the newly constructed shopping precinct to the north, Glen Street to the west and Pringle Avenue to the east.

Recommend:

Not re-establish Belrose AFZ – Zone A.

3. Belrose AFZ – Zone B

Summary of assessment of existing AFZ:

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Location has been subject to discussions / strategies / Police patrols since 2021.
- Wingara Reserve which was primary point of activity, has been since been made a 24 hour APA.
- Police data does not indicate that public use of the existing AFZ has been compromised by street drinkers over the 3 years. No recorded incidents in AFZ.
- There is insufficient evidence to support the re-establishment of this AFZ in this location.

Existing AFZ:

Expiring 31 August 2025.

Boundary description:

Pindrie Place, Wingara Grove through Haigh Street down Coora Avenue, Marina Place and Lowanna Street.

Recommend:

Not re-establish Belrose AFZ – Zone B.

4. Brookvale AFZ

Summary of assessment of existing AFZ:

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Initially assessed as suitable for removal however Police advised that there continues to be a high number of incidents reported at the location.
- Police requested this area be re-established as an AFZ due to concerns for public safety and given the area's high usage by the community.
- Police have provided additional evidence to support this AFZ.

Existing AFZ:

Expiring 31 August 2025.

Boundary description:

Bus stops at Warringah Mall, Pittwater Road.

Recommend:

Re-establish Brookvale AFZ for a period of up to 4 years from 1 September 2025.

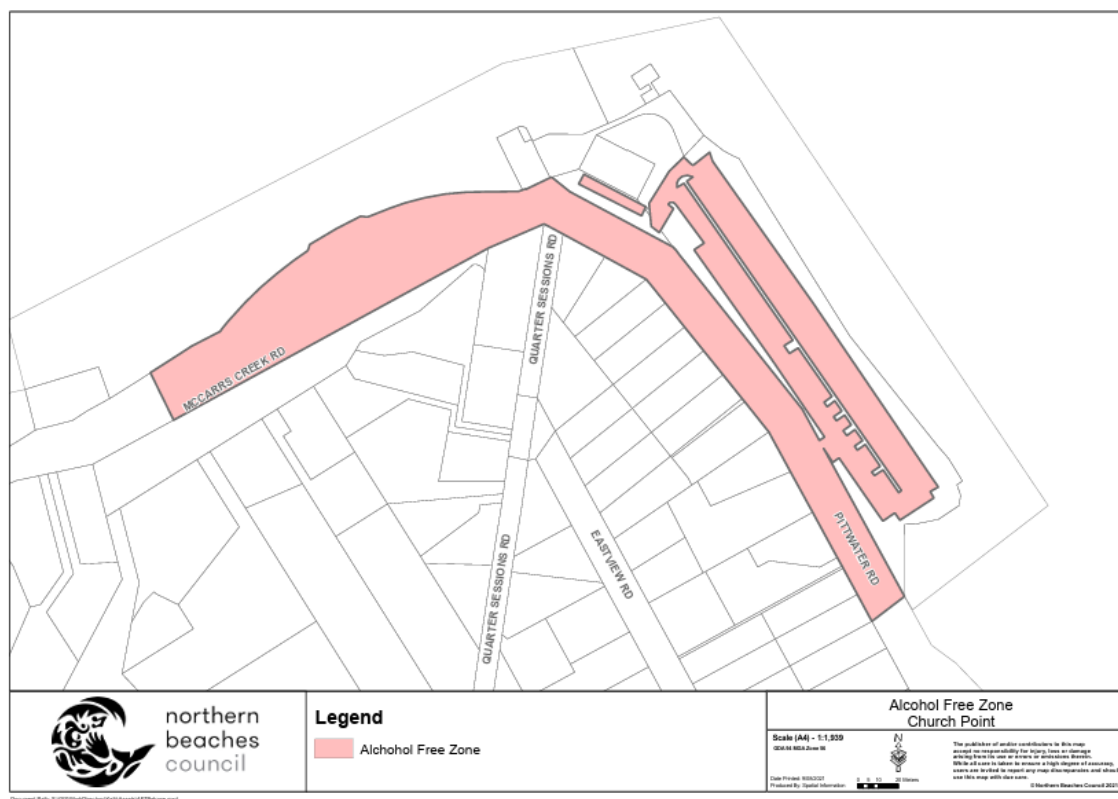

5. Church Point AFZ

Summary of assessment of existing AFZ:

- Location is known to Council as a hotspot for inappropriate street drinking.
- Police data does not indicate that public use of the existing AFZ has been compromised by street drinkers over the 3 years.
- Thomas Stephen Reserve and the Boardwalk areas are subject to long term complaints regarding outdoor drinking and alcohol related antisocial behaviour.
- This area meets the criteria for establishment of an AFZ as set out in the guidelines in terms of level of recorded incidents.

Existing AFZ:

Expiring 30 November 2025.

Boundary description:

From the cargo wharf in McCarrs Creek Road to the eastern end of the Church Point carpark; and includes all public carparks, footpaths and streets bounded by this area.

Recommend:

Re-establish Church Point AFZ for a period of up to 4 years from 1 September 2025.

6. Collaroy AFZ

Summary of assessment of existing AFZ:

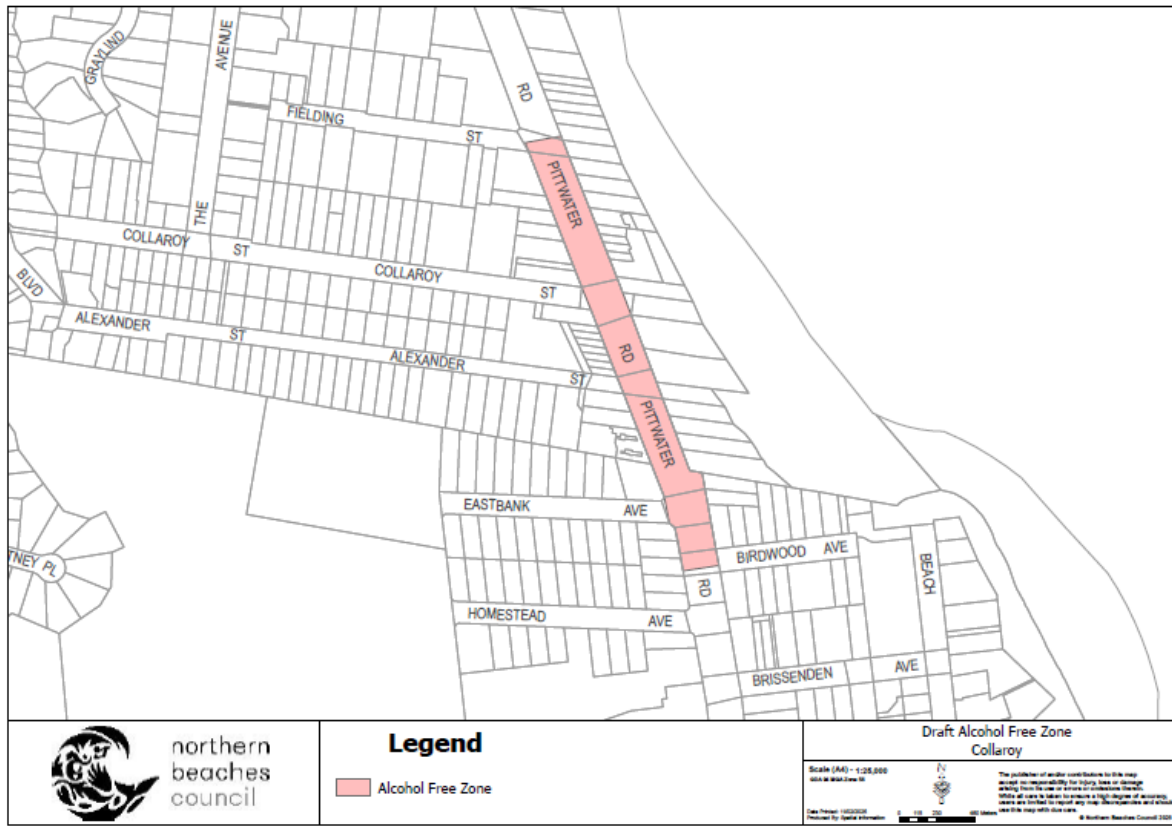

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Police data indicates that public use of the existing AFZ has been compromised by street drinkers over the last 3 years.
- It is proposed to establish a new Collaroy AFZ with reduced boundaries.

Existing AFZ:

Expiring 31 August 2025.

Proposed Collaroy AFZ:

Pittwater Road between Birdwood Avenue and Fielding Street.

Recommend:

Establish proposed Collaroy AFZ, with reduced boundaries, for a period of up to 4 years from 1 September 2025.

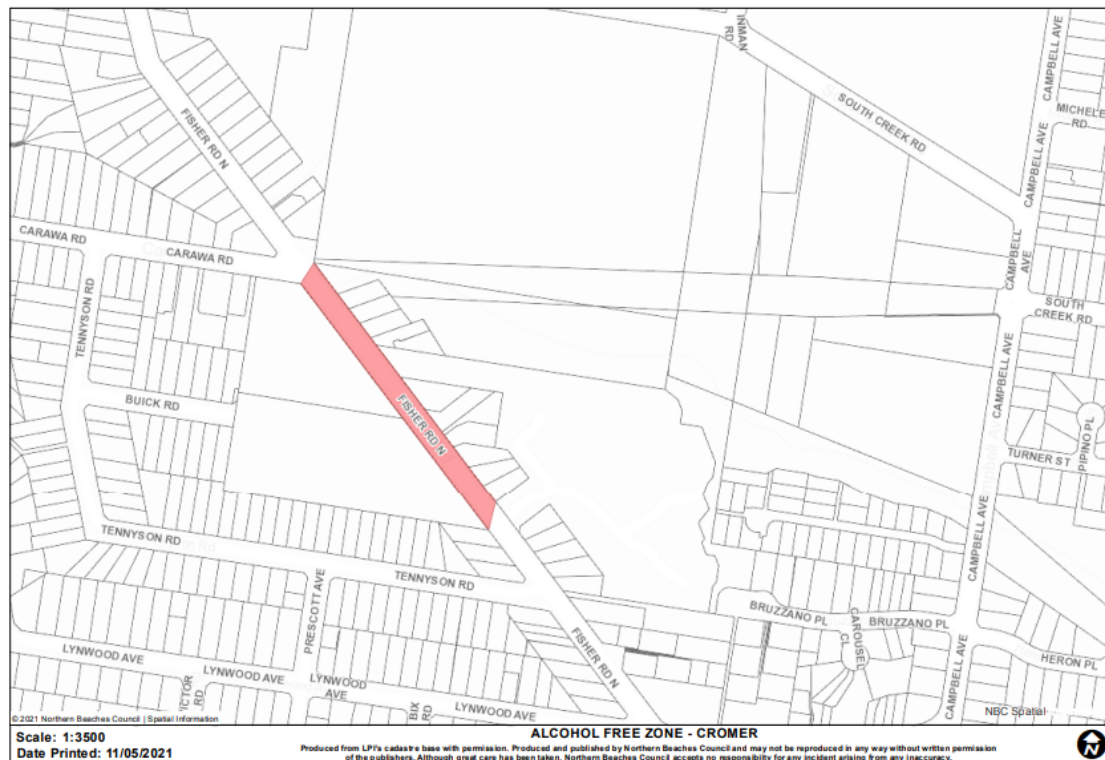

7. Cromer AFZ

Summary of assessment of existing AFZ:

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Police data does not indicate that public use of the existing AFZ has been compromised by street drinkers over the 3 years.
- With no recorded incidents this location does not meet the criteria for establishment of an AFZ as set out in the guidelines.

Existing AFZ:

Expiring 31 August 2025.

Boundary description:

Fisher Rd North at Cromer Community Centre.

Recommend:

Not re-establish Cromer AFZ.

8. Dee Why AFZ

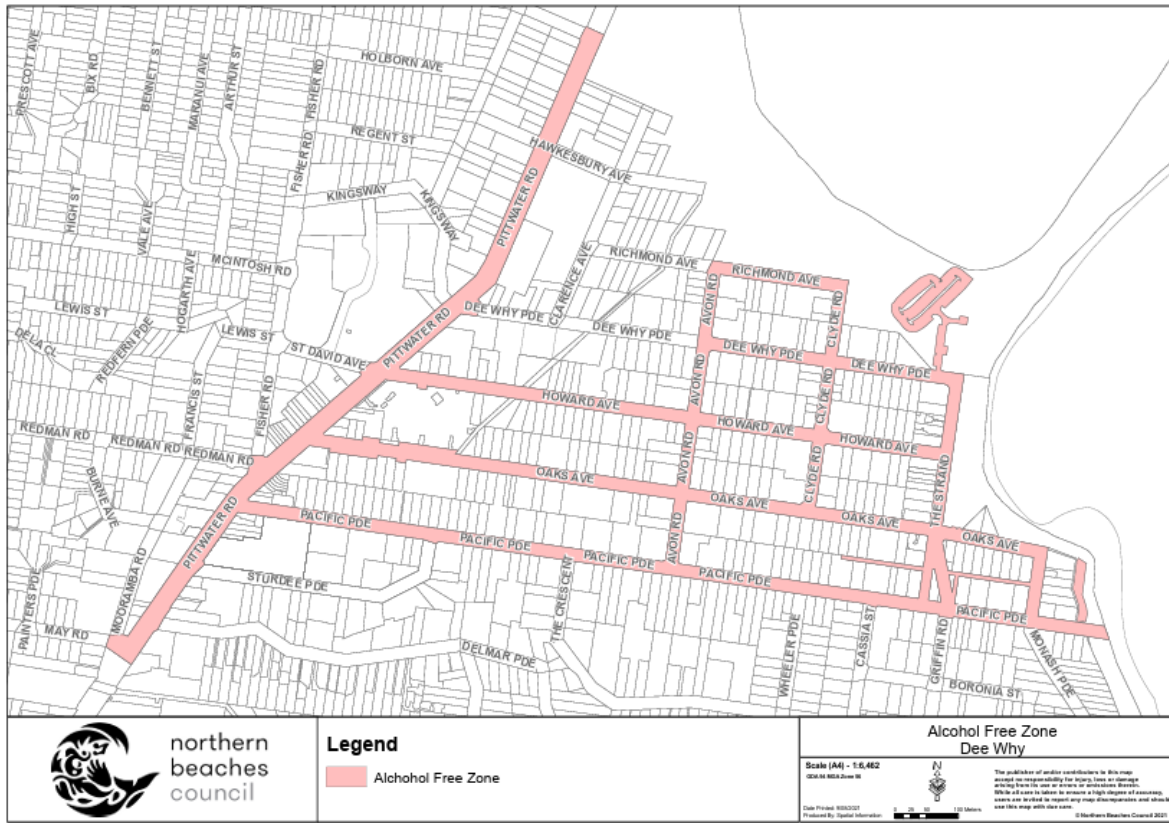

Summary of assessment of existing AFZ:

- Location is identified as a hotspot for inappropriate street drinking.
- Police data indicates that public use of some sectors of the existing AFZ has been compromised by street drinkers over the 3 years. In particular Oaks Ave, Howard Ave, The Strand, Pittwater Rd. The areas around Walter Gors Park and the Dee Why B-line bus stop are also indicated.
- Incidents occur throughout most of the existing AFZ.

Police and Council discuss alcohol related antisocial behaviour in this area on a regular basis through Police Council Operational meetings, Community Safety Advisory Committee meetings, Youth Outreach meetings and general collaboration. A range of strategies including Police patrols are in place at this location.

Existing AFZ:

Expiring 30 November 2025.

Boundary description:

Pittwater Road in the west, and extends down Pacific Parade, Oaks Avenue and Howard Avenue to Avon Road and bounded by Richmond Road in the north, on the east by The Strand, extending to the Surf Life Saving Club and by Pacific Parade at the south. Includes all public carparks, footpaths and streets bounded by this area.

Recommend:

Re-establish Dee Why AFZ for a period of up to 4 years from 1 September 2025.

9. Forestville AFZ

Summary of assessment of existing AFZ:

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Police data does not indicate that public use of the existing AFZ has been compromised by street drinkers over the 3 years.
- This area does not meet the criteria for establishment of an AFZ as set out in the guidelines.

Existing AFZ:

Expiring 31 August 2025

Boundary description:

Recommend:

Re-establish Freshwater AFZ – Zone A for a period of up to 4 years from 1 September 2025.

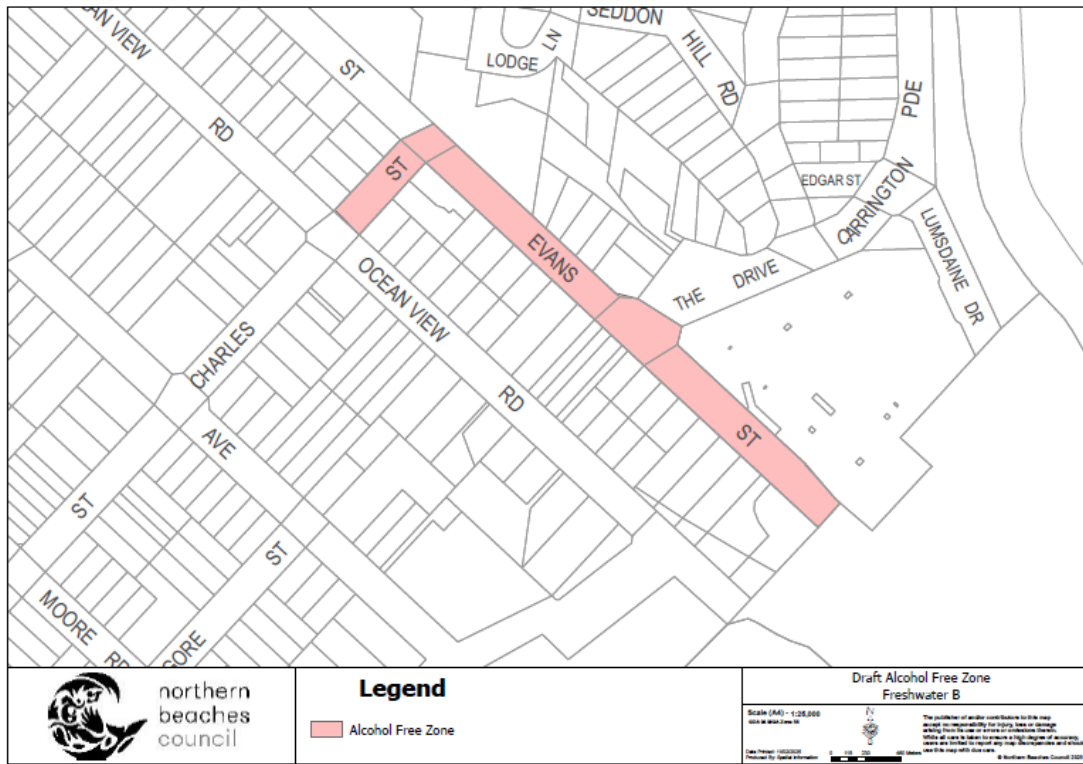

11. Freshwater AFZ – Zone B

Summary of assessment of existing AFZ:

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Police data does not indicate that public use of the existing AFZ has been compromised by street drinkers over the 3 years.
- No recorded incidents and as such does not meet the criteria for establishment of an AFZ as set out in the guidelines.

Existing AFZ:

Expiring 30 November 2025.

Boundary description:

Charles Street through to Evans Street down to the junction of Lumsdaine Drive.

Recommend:

Not re-establish Freshwater AFZ – Zone B.

12. Manly AFZ

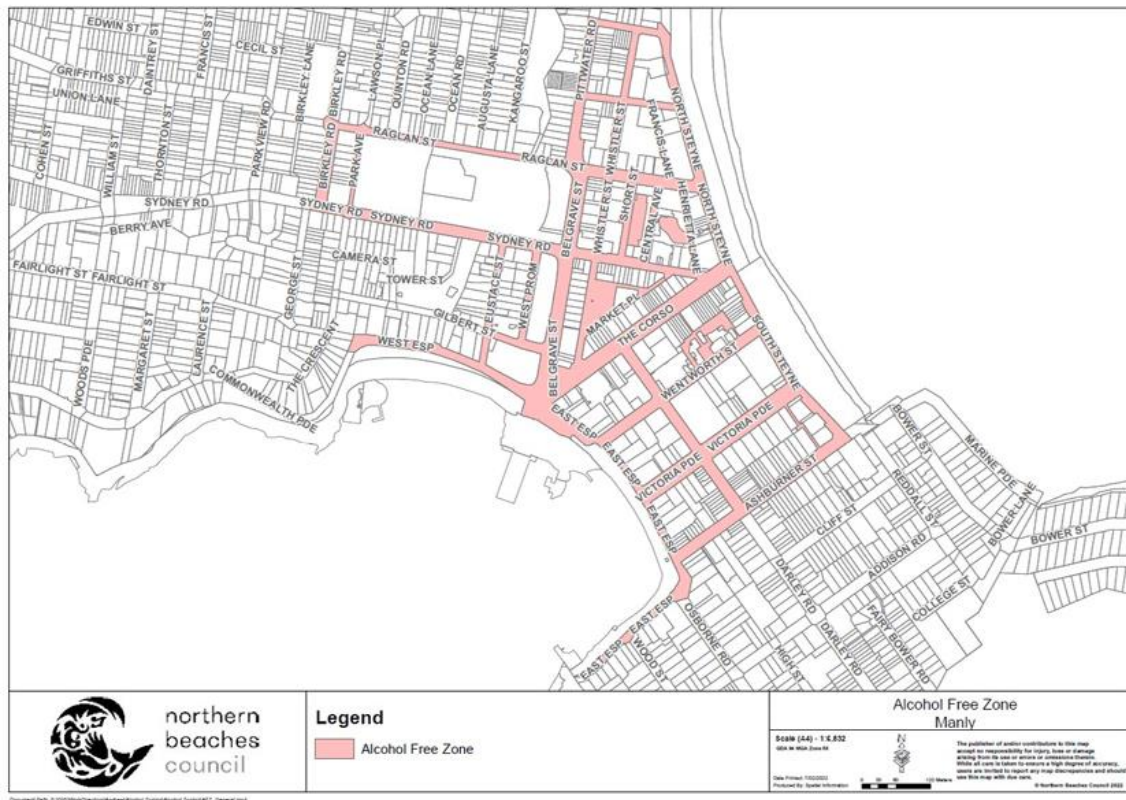

Summary of assessment of existing AFZ:

- Location is currently known to Council as a hotspot for inappropriate street drinking.
- Police data indicates that public use of the existing AFZ has been compromised by street drinkers over the 3 years.

Manly has high levels of street drinking and alcohol related antisocial behaviour has been occurring throughout the AFZ. Continued Police and Ranger enforcement occurs with seasonal variations. East Esplanade Management Plan in place to address alcohol related antisocial behaviour at that location. Ongoing consultation with Police, including via Police Council Operational Meetings and Community Safety Advisory Committee.

Existing AFZ:

Expiring 30 November 2025.

Recommend:

Re-establish Manly AFZ for a period of up to 4 years from 1 September 2025.

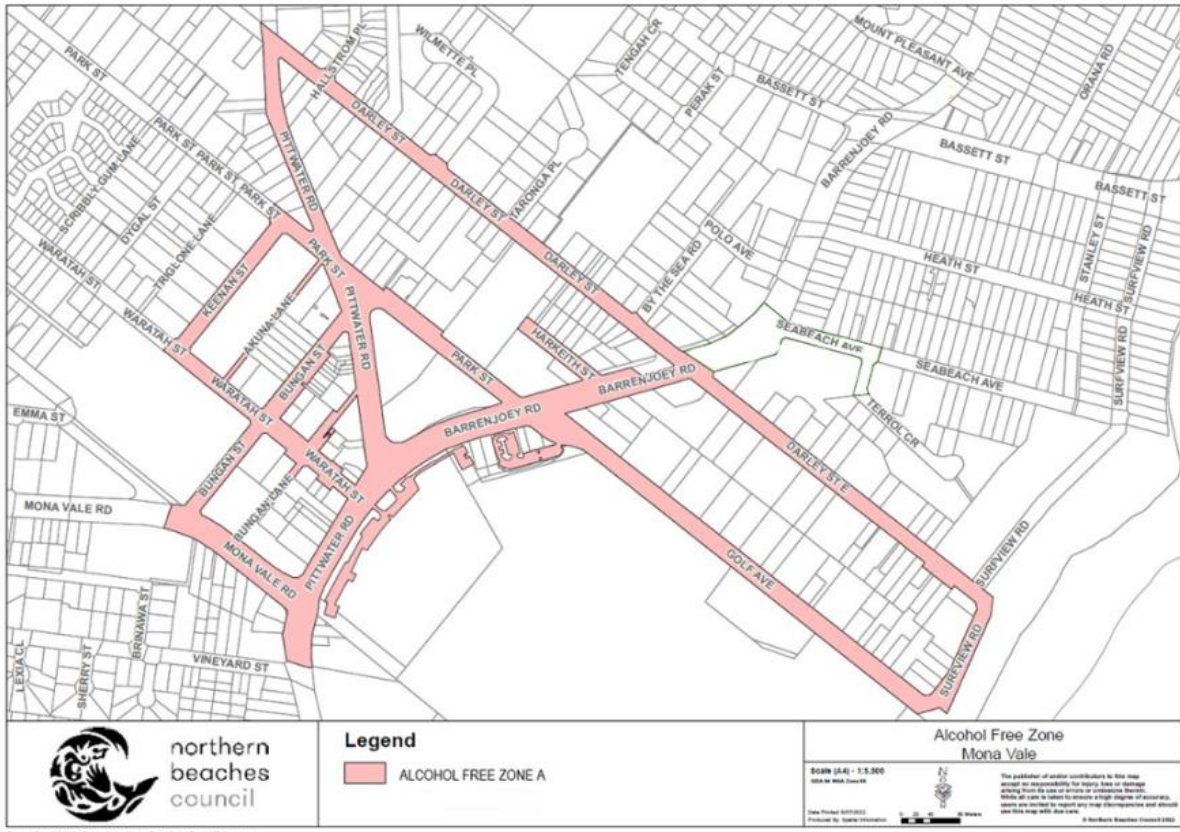

13. Mona Vale AFZ – Zone A

Summary of assessment of existing AFZ:

- This location is identified as a current hotspot for inappropriate street drinking.
- Police data indicates that public use of some sectors of the existing AFZ has been compromised by street drinkers over the 3 years. In particular the Mona Vale central CBD area and beachfront (Surfview Rd).
- Some areas have no recorded incidents. These pockets do not meet the criteria for establishment of an AFZ as set out in the guidelines. Golf Ave and sections of Pittwater Rd and Darley Street are not recommended for this reason.
- It is proposed to include Surfview Road and Darley St East in this AFZ following analysis of police data.

Existing AFZ:

Expiring 30 November 2025.

Recommend:

Establish Mona Vale AFZ - Zone A with altered boundaries for a period of up to 4 years from 1 September 2025.

Combine with Mona Vale AFZ – Zone B to form a single Mona Vale AFZ (refer to page 18 for proposed boundary details).

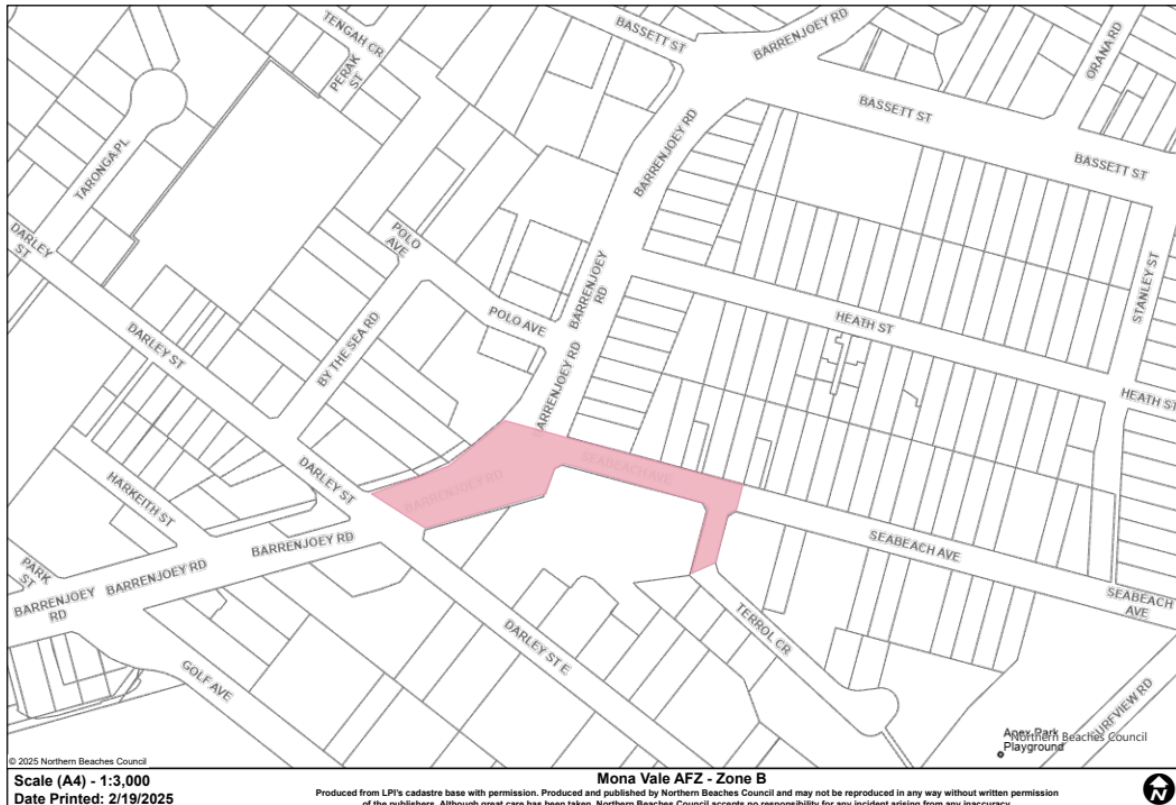

14. Mona Vale AFZ – Zone B

Summary of assessment of existing AFZ:

- This location is identified as a hotspot for inappropriate street drinking.
- Police data indicates that public use of the existing AFZ has been compromised by street drinkers over the 3 years.

Existing AFZ:

Expiring 30 November 2025.

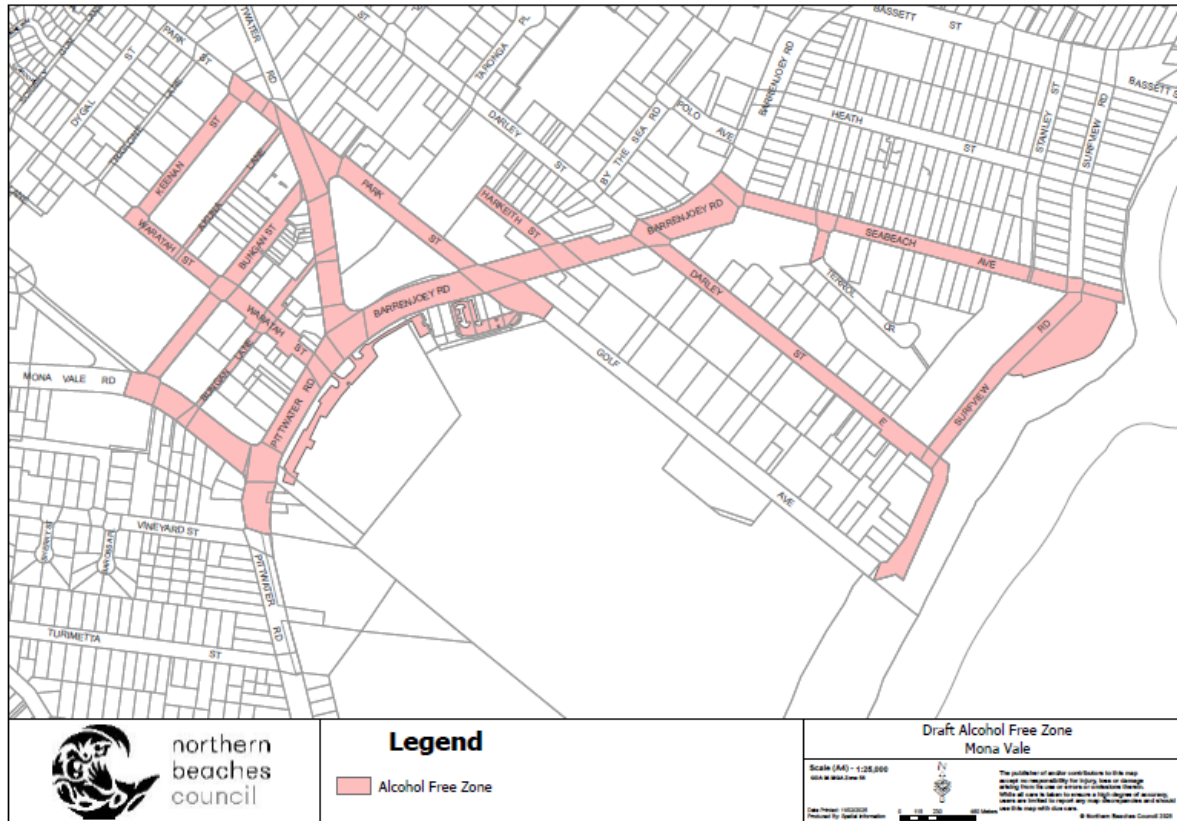

Recommend:

Establish Mona Vale AFZ - Zone B for a period of up to 4 years from 1 September 2025.

Combine with Mona Vale AFZ – Zone A to form a single Mona Vale AFZ (refer to page 18 for proposed boundary details).

Proposed Mona Vale AFZ:

It is proposed to combine the altered Mona Vale AFZ - Zone A and existing Mona Vale AFZ – Zone B into a single Mona Vale AFZ.

Boundary description for proposed Mona Vale AFZ:

The area bounded by Golf Avenue at the Park and Ride carpark, down to the junction of Pittwater and Vineyard St in the south, to the junction of Mona Vale and Bungan Street in the west and the junction of Park Street to Keenan Street in the north. Barrenjoey Road from Park St to Seabeach Avenue and along Seabeach Avenue to Mona Vale Beach. Along Surfview Road to Golf Avenue. Darley Street East, Harkeith Street and Terrol Crescent adjacent to Seabeach Gardens Retirement Village. All public carparks, footpaths and streets contained within this area including Kitchener Park, Mona Vale Park and Ride and Mona Vale Beach carpark.

Recommend:

Establish proposed Mona Vale AFZ for a period of up to 4 years from 1 September 2025.

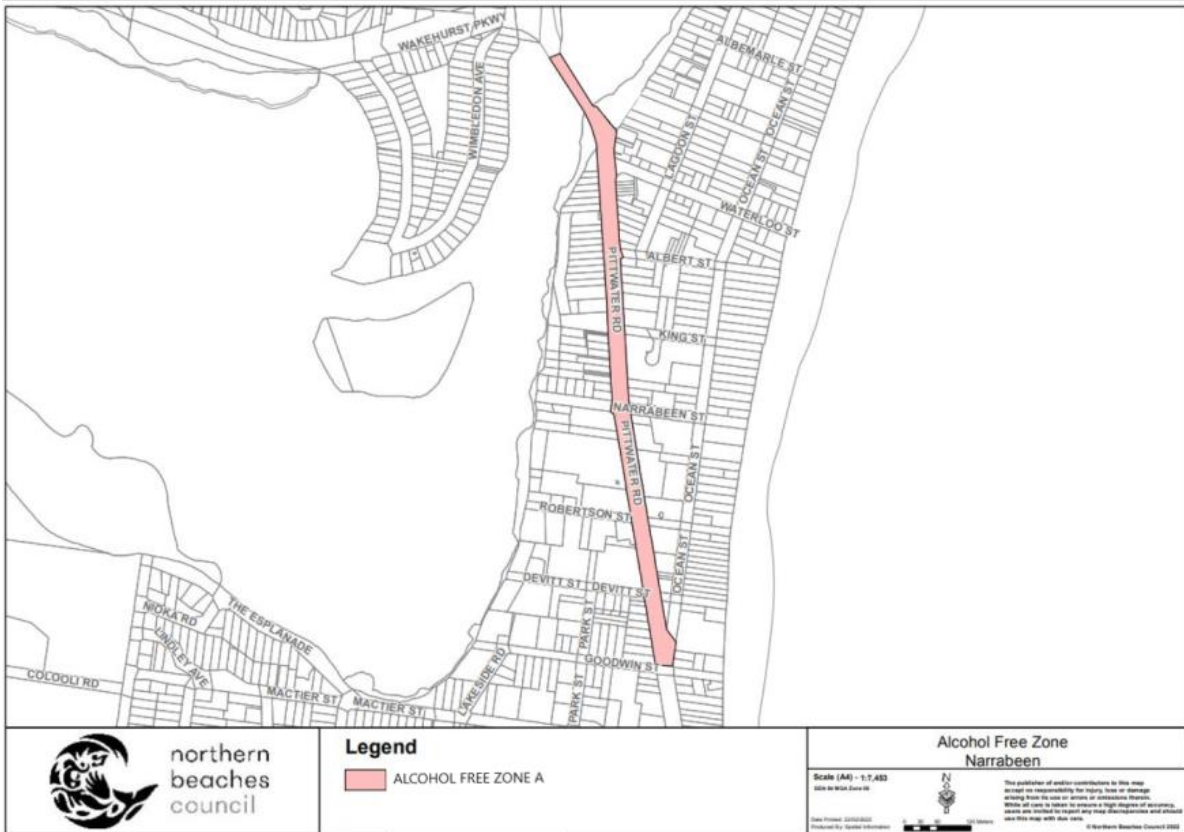

15. Narrabeen AFZ – Zone A

Summary of assessment of existing AFZ:

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Police data indicates that public use of the existing AFZ has been compromised by street drinkers over the 3 years.

Existing AFZ:

Expiring 31 August 2025.

Boundary description:

Pittwater Road between Ocean Street to the south and the bridge over Narrabeen Lake to the north.

Recommend:

Establish Narrabeen AFZ - Zone A for a period of up to 4 years from 1 September 2025.

Combine with Narrabeen AFZ – Zone B to form a single Narrabeen AFZ (refer to page 21 for proposed boundary details).

16. Narrabeen AFZ – Zone B

Summary of assessment of existing AFZ:

- This location is known to Council as hotspot for inappropriate street drinking.
- Police data indicates that public use of the existing AFZ has been compromised by street drinkers over the 3 years.

Existing AFZ:

Expiring 31 August 2025.

Boundary description:

Wellington Street carpark.

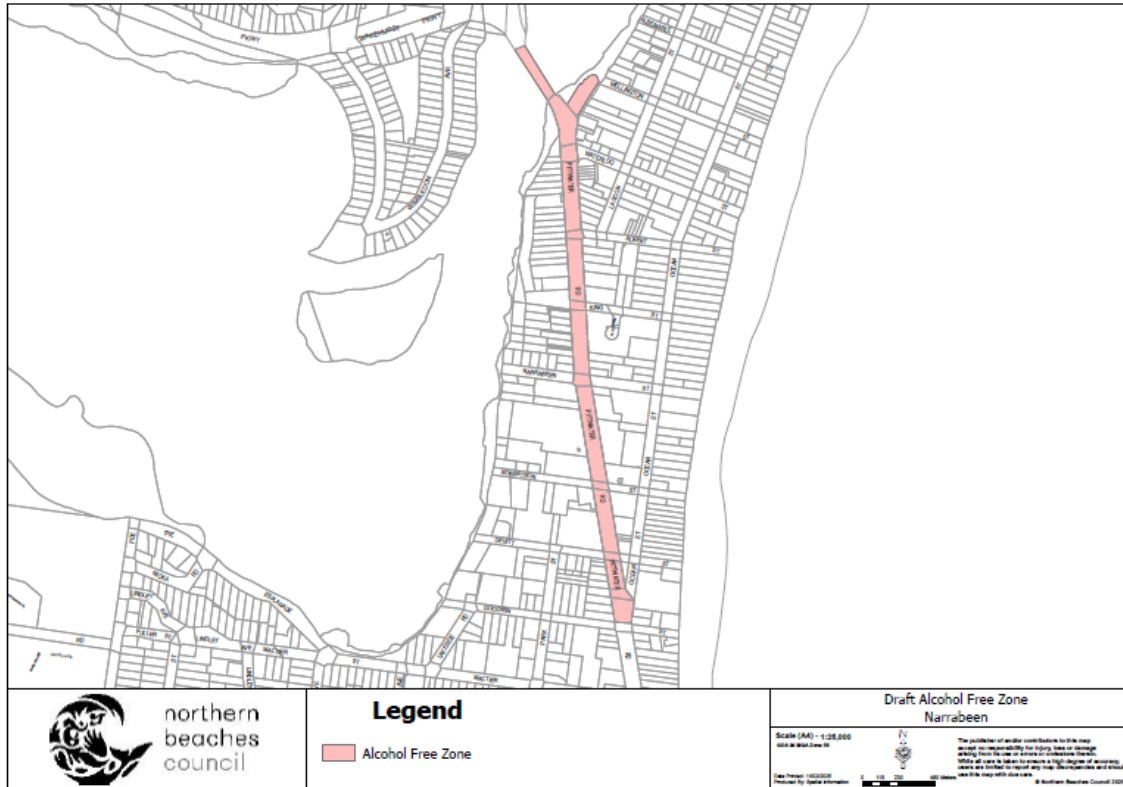

Recommend:

Establish Narrabeen AFZ - Zone B for a period of up to 4 years from 1 September 2025.

Combine with Narrabeen AFZ – Zone A to form a single Narrabeen AFZ (refer to page 21 for proposed boundary details)

Proposed Narrabeen AFZ:

It is proposed to combine the existing Narrabeen AFZ Zone A and existing Narrabeen AFZ – Zone B into a single Narrabeen AFZ.

Boundary description for proposed AFZ:

Pittwater Road between Ocean Street to the south and the bridge over Narrabeen Lake to the north.
Wellington Street carpark.

Recommend:

Re-establish Narrabeen AFZs – Zone A and B as a single AFZ for a period of up to 4 years from 1 September 2025.

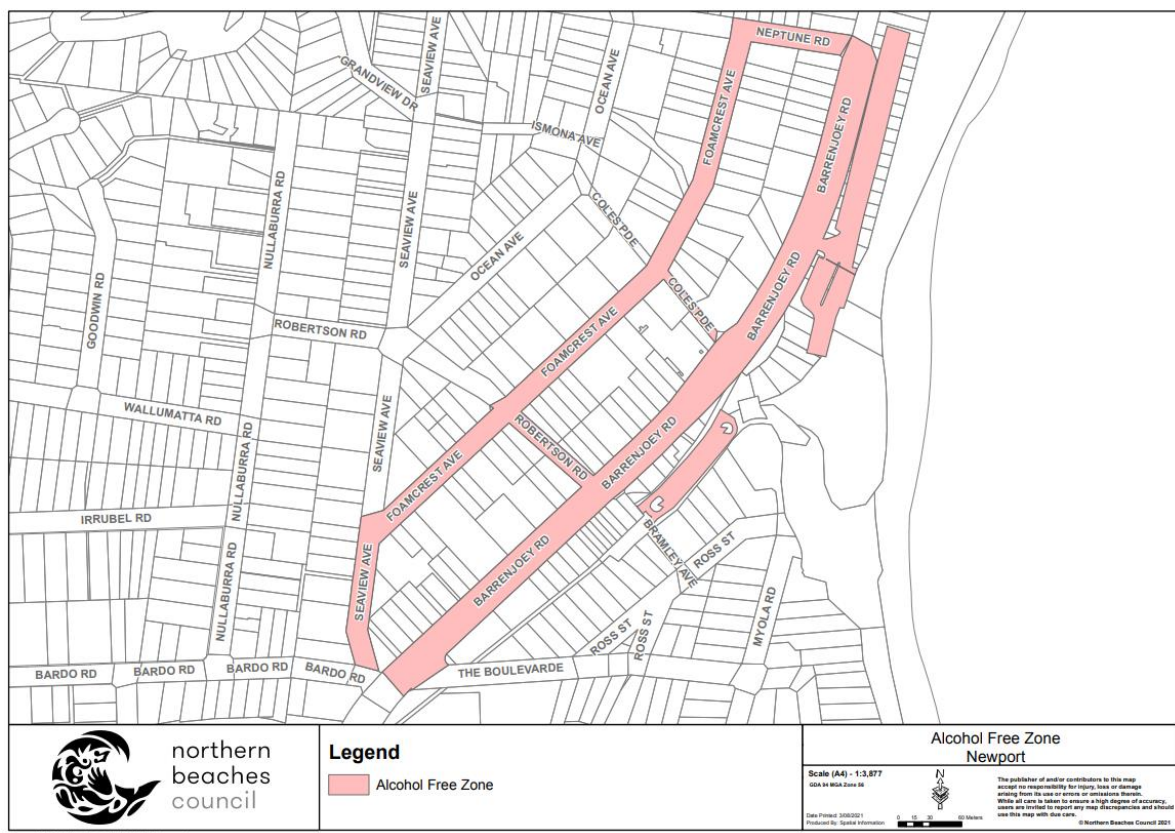

17. Newport Beach AFZ

Summary of assessment of existing AFZ:

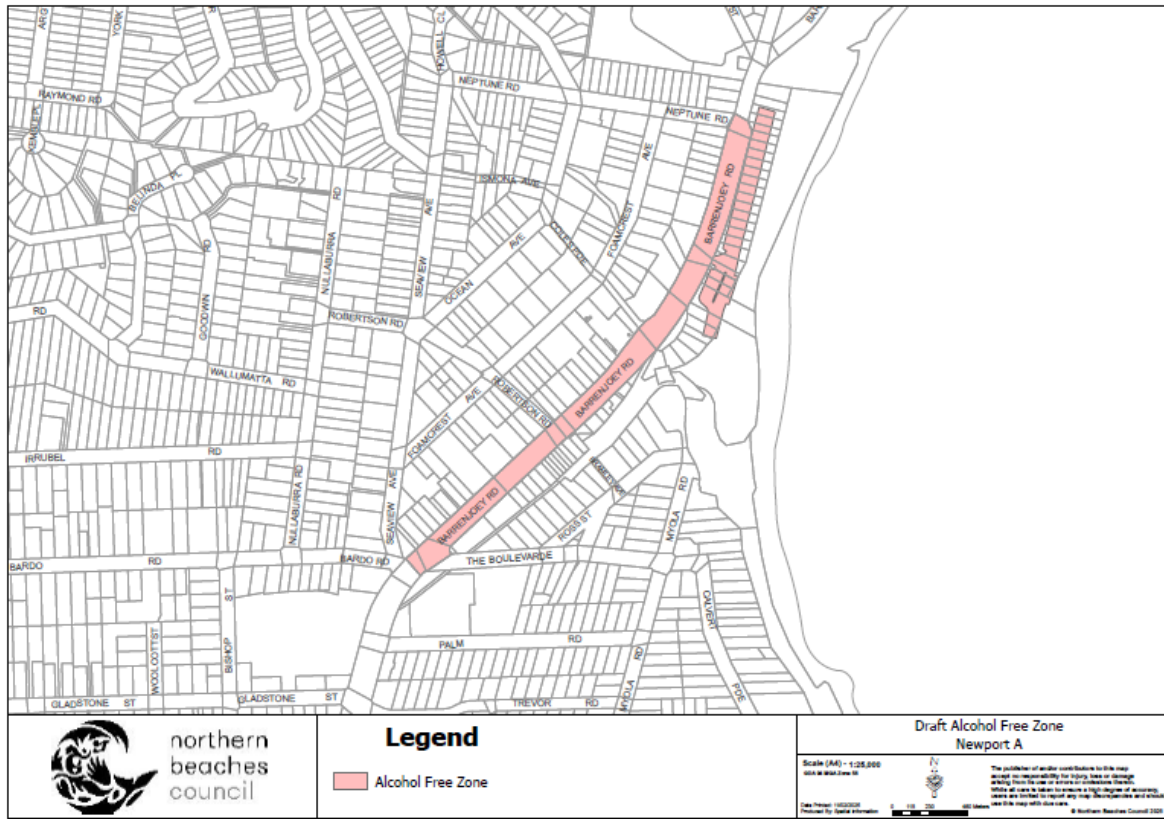

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Police data indicates that public use of some sectors of the existing AFZ has been compromised by street drinkers over the 3 years. In particular Barrenjoey Rd.
- This AFZ has areas with no recorded incidents. These pockets do not meet the criteria for establishment of an AFZ as set out in the guidelines. Areas excluding Barrenjoey Rd are not recommended for this reason.
- It is proposed to establish a new Newport AFZ – Zone A with reduced boundaries.

Existing AFZ:

Expiring 30 November 2025

Proposed Newport AFZ – Zone A:

Boundary description for proposed AFZ:

Barrenjoey Road from The Boulevard to Neptune Rd and Newport Beach carpark. Includes all public carparks, footpaths and streets bounded by this area.

Recommend:

Establish proposed Newport AFZ – Zone A, with reduced boundaries, for a period of up to 4 years from 1 September 2025.

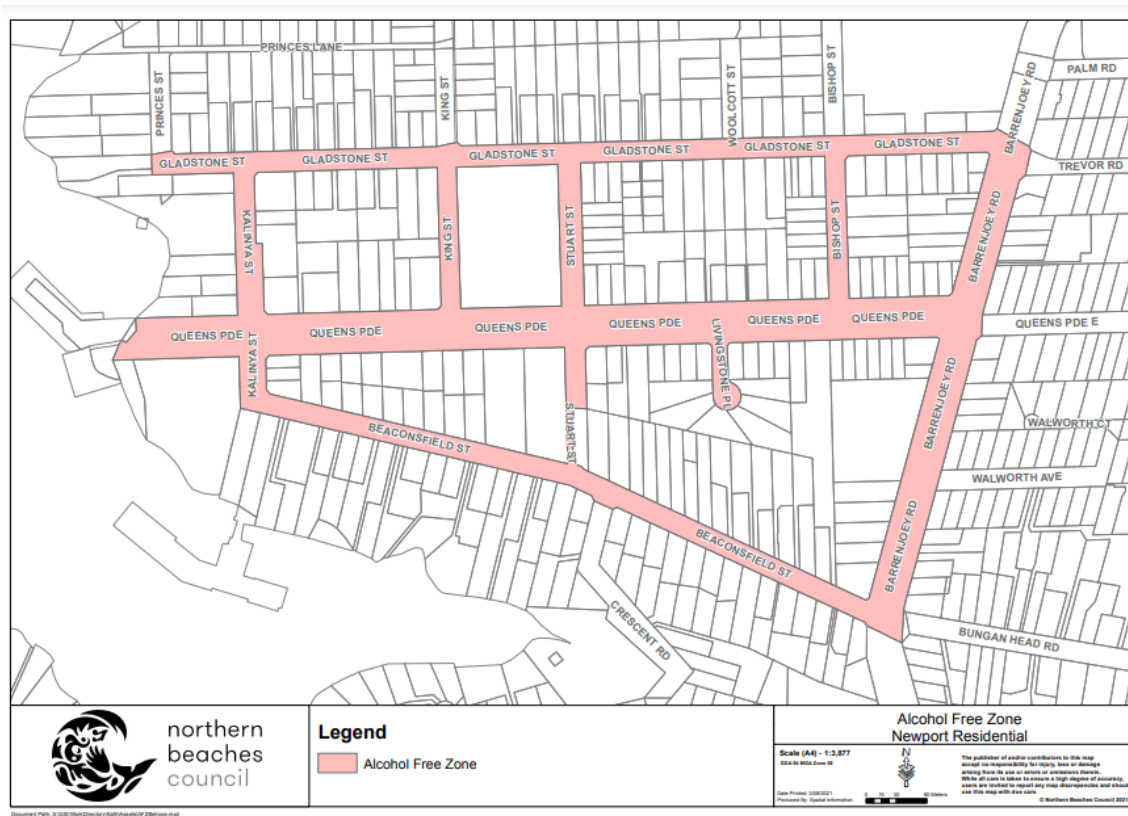

18. Newport Residential AFZ

Summary of assessment of existing AFZ:

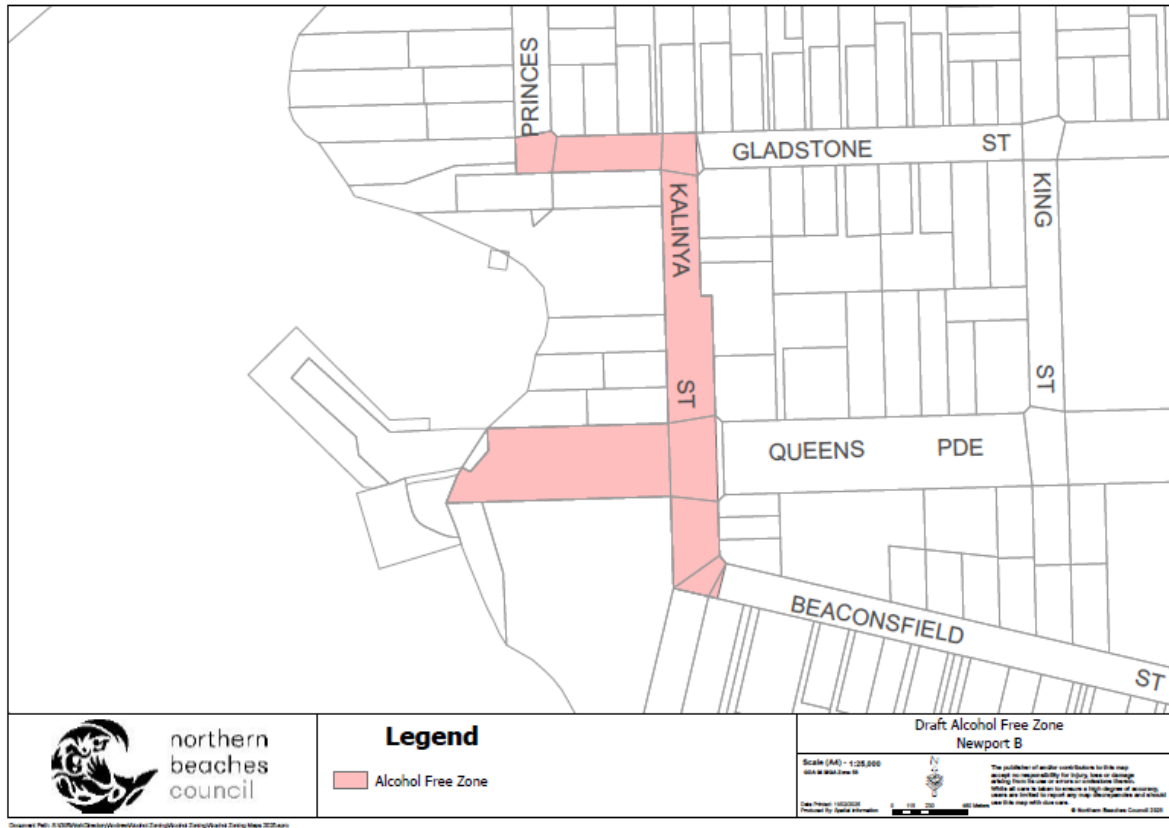

- Location not currently coming to attention of Council as hotspot for inappropriate street drinking.
- Police data indicates that public use of some sectors of the existing AFZ has been compromised by street drinkers over the 3 years. In particular Kalinya St.
- Some areas have minimal recorded incidents. These areas do not meet the criteria for establishment of an AFZ as set out in the guidelines. Beaconsfield Street, Queens Parade and Gladstone Street not recommended for this reason.
- It is proposed to establish a new Newport AFZ – Zone B with reduced boundaries.

Existing AFZ:

Expiring 30 November 2025.

Proposed Newport AFZ – Zone B:

Boundary description for proposed AFZ:

Kalinya Street Newport. Gladstone Street between Kalinya and Princes Street. Queens Parade west of Kalinya Street. Includes all public carparks, footpaths and streets bounded by this area.

Recommend:

Establish proposed Newport AFZ – Zone B, with reduced boundaries, for a period of up to 4 years from 1 September 2025.
